- The session chair will allocate the available time equally among all papers to be presented in the session. Each paper has to be presented within the time allotted sparing 3-5 minutes for discussion.
- The session chair should remind each speaker three minutes before the time he/she is expected to end the presentation. If a speaker goes beyond the time allotted, the session chair should remind him/her to end the presentation.
- LCD projector and laptop computer will be provided in each conference room.

Conference Registration Desk

Conference participants will collect the *SIBR Conference Proceedings* (on USB drive), attendance certificates and official receipts from the registration desk.
